SUMMARY

Currently pursuing my masters in computer science, I am excited to contribute my skills to solve real world challenges with innovative ideas. I am eager to learn new technologies. Looking forward to learning in a dynamic professional environment where I can build myself and contribute to the organization's growth.

EDUCATION

Saint Louis University • Master's Degree Graduation: 2025
computer science • 3.8

R.M.D. Engineering College • Bachelor's Degree Graduation: 2023
computer science • 9.3/10

EXPERIENCE

SKILLS

- **webdevelopment:** html, css, javascript
- **software development:** python ,C

PROJECTS

CUSTOMER SEGMENTATION SYSTEM Python using machine learning 2023 – 2023

- dscdds

CERTIFICATIONS

- **The joy of computing using python** • NPTEL 2020 – 2020
- **Machine Learning Foundations** • Aws academy 2022 –
- **Cloud Foundations** • AWS Academy 2022 –

INVOLVEMENTS

- **A member of a managing committee** • Participated in a symposium organizing 2022 in B.E 2022 – 2022
- Organizing a symposium have enhanced my event planning and coordination skills while fostering teamwork and communication abilities in a dynamic setting
- **Class committee member at UG level** • R.M.D. Engineering College 2019 – 2023
- As a class committee member, I developed leadership skills by coordinating events and representing student interests, fostering collaboration and organizational
- Abilities in a team environment.
- **Tutored during my undergraduate for juniors** • R.M.D. Engineering College 2022 – 2023
- Tutoring juniors during my undergraduate studies
- strengthened my communication skills and deepened my understanding of academic concepts, fostering patience and adaptability in teaching diverse learners.
- **Member of the Sports club** • R.M.D. Engineering College 2020 – 2022
- In levels of education and Badminton Player in undergraduate.
